

## Solo Tourist Persona

### Key Attribute

---

- Independent and curious.
- Bold but careful with choices.
- Likes flexibility and freedom.

### Short Description

---

An adventurous but cautious traveler who prefers independence. Enjoys cultural heritage sites like Al-Ula and Diriyah, nature trips for reflection, and exploring local markets.

### Challenges

---

- Safety concerns, especially in unfamiliar cities.
- Language and cultural barriers.
- Risk of loneliness or lack of guidance.

### Goals\Objectives

---

- Travel safely while maintaining independence.
- Discover authentic cultural and local experiences.
- Explore new places without depending on groups.
- Use tools or services that give reassurance (like tracking or SOS)

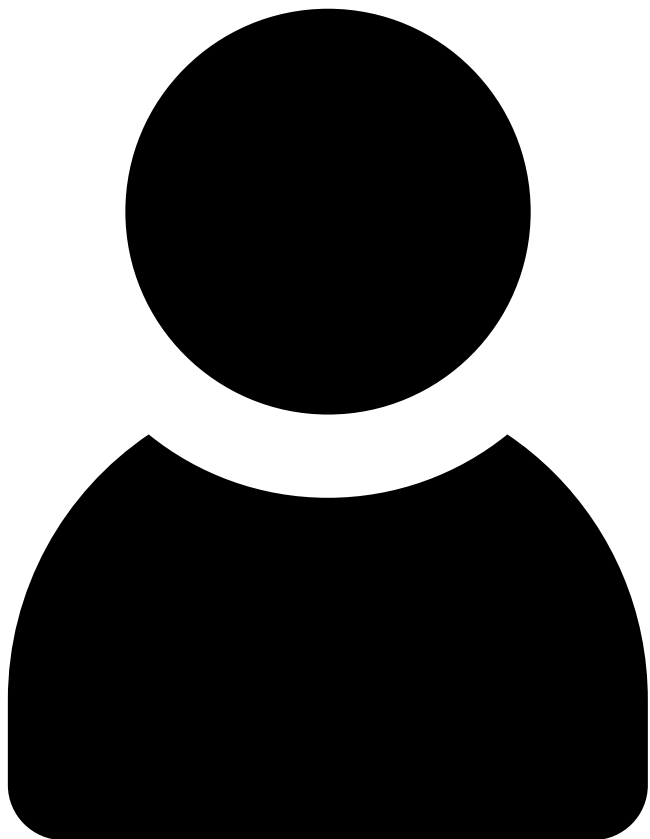

### Notes

---

- Personality: adventurous, reflective, cautious when needed.
- Darb appeals through safety features and personalized tour options.
- Likely to recommend Darb if trust and independence are supported.

# Yahya Ahmed

Solo Traveler Example

## Profile

Gender : Male  
Age : 25  
Education : Bachelor's degree  
Occupation : Marketing  
Address : Riyadh, SA

## Biography

Yahya is an independent traveler who enjoys exploring at his own pace. He is curious and drawn to cultural and historical sites like Al-Ula and Diriyah, as well as local markets. While adventurous, he is also cautious, valuing safety and reliable services that make solo travel more secure.

## Goals

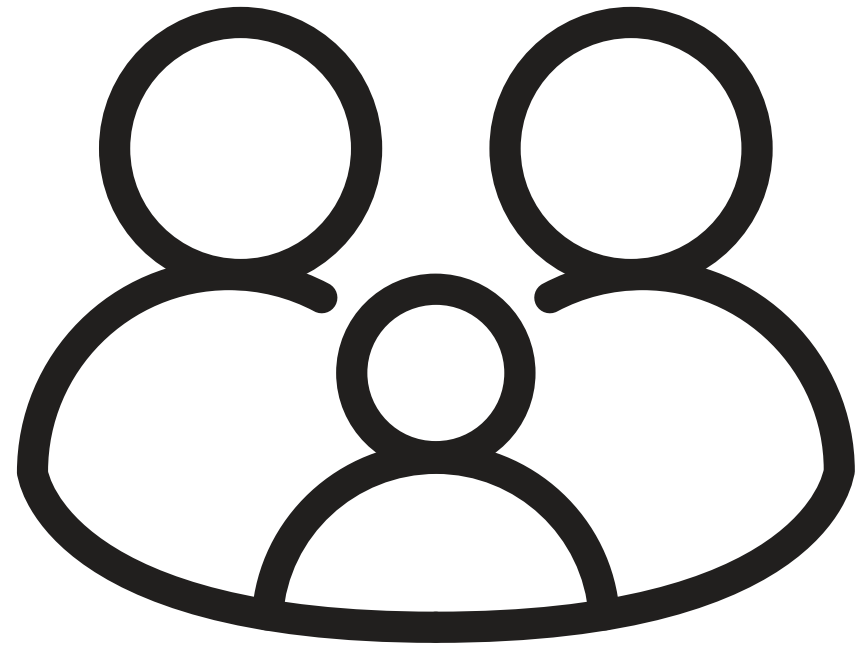

- ✔ Explore authentic culture independently.
- ✔ Find unique, non-tourist experiences.
- ✔ Stay safe with trusted drivers and tracking.

## Challenges

- ⦿ Safety concerns when alone.
- ⦿ Language and cultural barriers.
- ⦿ Can feel isolated without group support.

## Notes

- Personality: curious, reflective, cautious.
- Prefers flexible, spontaneous trips.
- Sees Darb as balance between safety and freedom.

## Family Tourist Persona

### Key Attribute

---

- Responsible and protective.
- Practical and careful planners.
- Value stability and comfort over risk.

### Short Description

---

Protective and comfort-focused families who like structured experiences. Prefer calm cultural visits like museums, relaxed time at Jeddah Corniche, and safe shopping or dining areas with child-friendly spaces.

### Challenges

---

- Managing the needs of kids and elderly together.
- Concern about crowded or unsafe areas.
- Stress if schedules are delayed or disrupted.

### Goals\Objectives

---

- Keep children and elderly members safe.
- Balance fun with comfort for everyone.
- Choose trusted drivers and family-friendly plans.

### Notes

---

- Personality: caring, organized, protective.
- Families trust Darb for verified drivers and family-friendly suggestions.
- Zero-Trust reassures them that safety is always prioritized.

# Aisha Al-Harbi

Family Traveler Example

## Profile

Gender

:

Female

Age

:

38

Education

:

Bachelor's degree

Occupation

:

Teacher

Address

:

Jeddah, SA

## Biography

Aisha is a protective mother who enjoys traveling with her husband and children. She values comfort and safety, preferring calm activities like museums, the Jeddah Corniche, and family-friendly shopping. She plans trips carefully to balance fun with security for both kids and elders.

## Goals

- ☒

Keep children and elderly safe and comfortable.
- ☒

Balance fun with relaxation for all family members.
- ☒

Choose trusted, family-friendly activities and drivers.

## Challenges

- ☒

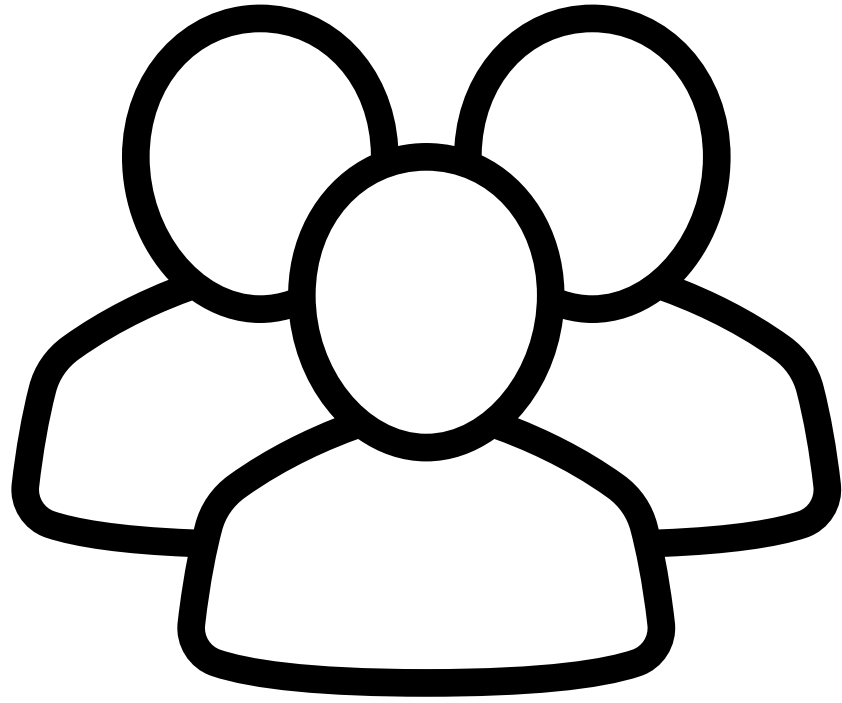

Managing the needs of kids and elders.
- ☒

Avoiding crowded or unsafe areas.
- ☒

Stress if schedules are delayed or disrupted.

## Notes

- Personality: caring, protective, practical.
- Prefers polite, patient service providers.
- Relies on Darb for verified drivers and family-focused plans.

## Friends Group Tourist Persona

### Key Attribute

---

- Outgoing, playful, adventurous.
- Spontaneous but sometimes disorganized.
- Prefer variety and shared social experiences.

### Short Description

---

Energetic, social, and fun-loving groups of friends. They enjoy Riyadh Season festivals, shopping, concerts, and adventurous outings like desert safaris or coastal trips.

### Challenges

---

- Coordinating different preferences in the group.
- Risk of confusion or delays in large groups.
- Budget disagreements or planning conflicts.

### Goals\Objectives

---

- Spend quality time together with fun activities.
- Enjoy both entertainment and adventure.
- Use group-friendly services with easy cost-sharing.

### Notes

---

- Personality: energetic, spontaneous, social.
- Darb helps by offering flexible group tours and AI activity suggestions.
- They value convenience so they can focus on fun.

# Ali Ahmad

Friends Traveler Example

## Profile

Gender : Male  
Age : 26  
Education : Bachelor's degree  
Occupation : Engineer  
Address : Riyadh, SA

## Biography

Ali is a social and energetic young man who enjoys traveling with his group of friends. He looks for fun activities such as Riyadh Season events, shopping districts, and adventurous trips like desert safaris. He values flexibility and shared experiences, but sometimes struggles with group coordination.

## Goals

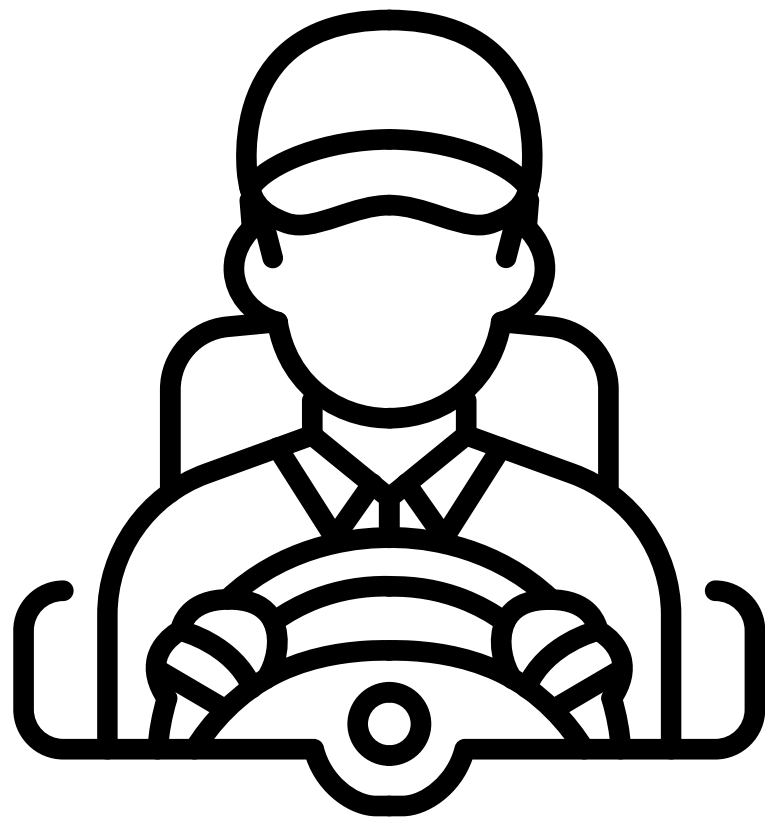

- ✓ Spend quality time with friends through fun activities.
- ✓ Explore a mix of entertainment and adventure.
- ✓ Keep group travel flexible and affordable.

## Challenges

- ⦿ Risk of delays or confusion in planning.
- ⦿ Budget disagreements among friends.
- ⦿ Managing different interests within the group.

## Notes

- Personality: outgoing, playful, spontaneous.
- Loves variety and shared group experiences.
- Finds Darb useful for group-friendly plans and recommendations.

## New Driver Persona

### Key Attribute

---

- Energetic and motivated.
- Rule-following, sometimes nervous under pressure.
- Focused on building trust and reputation.

### Short Description

---

An eager, ambitious driver who is just starting out. They want to prove themselves, build credibility, and secure steady bookings. Often cautious with tourists, they rely on guidance while learning the ropes.

### Challenges

---

- Struggles with low trust due to lack of reviews.
- Competition with experienced drivers.
- Managing tourist expectations while still new.
- Pressure to always follow regulations correctly.

### Goals\Objectives

---

- Gain steady bookings for financial stability.
- Deliver safe and polite trips.
- Earn strong ratings to build credibility.
- Learn how to handle diverse tourists.

### Notes

---

- Personality: ambitious, optimistic, a bit anxious.
- Darb helps them through fair Zero-Trust rules and training support.
- They see the platform as a chance to grow into a reliable professional.

# Talal Mohammed

New Driver Example

## Profile

Gender : Male  
Age : 29  
Education : High school graduate  
Occupation : Engineer  
Address : Jazan, SA

## Biography

Tala is a newly registered driver eager to build his reputation and earn steady income. He is ambitious and motivated but still gaining confidence in handling different types of tourists. He values fairness, safety, and clear rules as he grows in his career.

## Goals

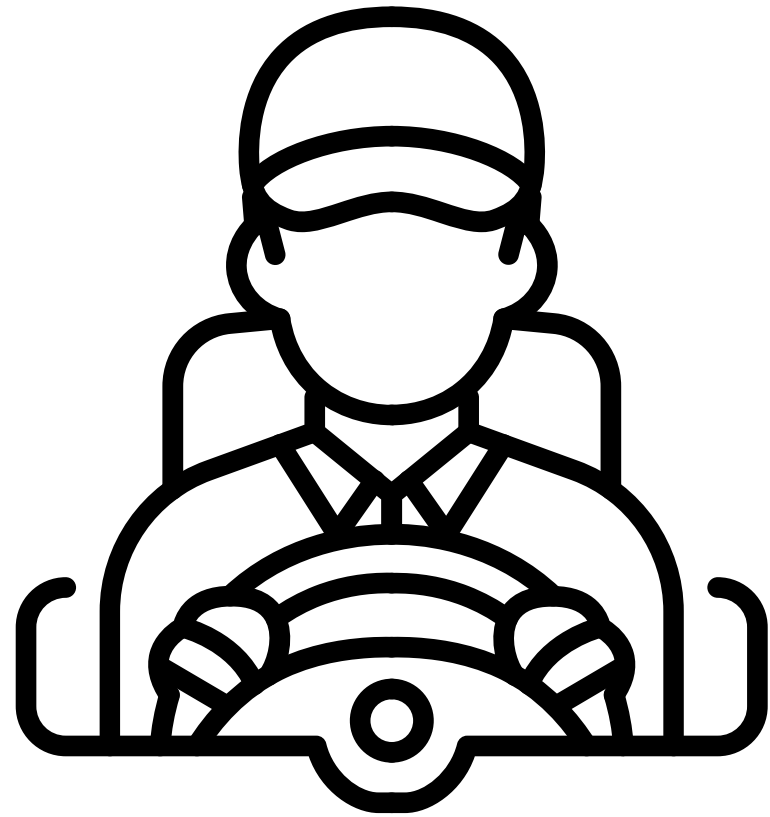

- ✔ Gain trust through positive ratings and reviews.
- ✔ Secure steady bookings for financial stability.
- ✔ Provide safe and polite trips.

## Challenges

- ⦿ Gets nervous under tourist pressure.
- ⦿ Competes with more experienced drivers.
- ⦿ Lacks reviews, making it harder to attract riders.

## Notes

- Personality: ambitious, energetic, optimistic.
- Sees Darb as a chance to prove himself.
- Motivated to grow into a trusted, reliable driver.

## Verified Driver Persona

### Key Attribute

---

- Responsible and steady.
- Patient and professional communicator.
- Motivated by maintaining reputation and career growth.

### Short Description

---

A reliable, professional driver who has already built a stable reputation. Calm, confident, and disciplined, they are trusted by tourists and value long-term stability in their work.

### Challenges

---

- Document updates and paperwork renewals.
- High expectations to always deliver quality.
- Managing peak season demand.
- Balancing speed with tourist hospitality.

### Goals\Objectives

---

- Keep verification status active and secure.
- Provide safe and efficient trips consistently.
- Grow financially with steady bookings.
- Maintain strong ratings and positive reviews.

### Notes

---

- Personality: disciplined, professional, reliable.
- Darb supports them by ensuring verified drivers get trust from users.
- They see the platform as part of a long-term career path.

# Lina Al-Qahtani

Verified Driver Example

## Profile

Gender : Female  
Age : 34  
Education : Bachelor’s degree  
Occupation : Professional driver  
Address : Jeddah, SA

## Biography

Lina is a reliable and professional driver who has already earned verification and strong ratings. She is calm, disciplined, and trusted by tourists. She values stability, steady bookings, and maintaining her good reputation.

## Goals

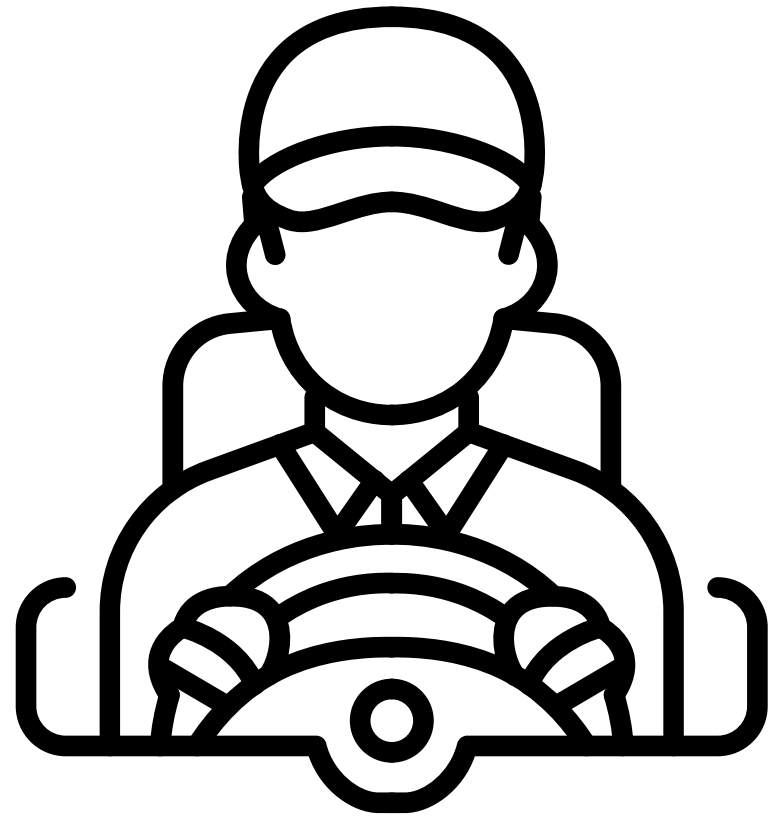

- ✔ Maintain verified status and credibility.
- ✔ Provide safe, comfortable, and efficient trips.
- ✔ Grow financially with steady bookings.

## Challenges

- ⦿ High expectations from tourists.
- ⦿ Pressure to always maintain top ratings.
- ⦿ Managing workload during busy seasons.

## Notes

- Personality: steady, professional, responsible.
- Proud of being a trusted, verified driver.
- Sees Darb as a platform that secures her credibility.

## Experienced Driver Persona

### Key Attribute

---

- Outgoing, confident, and charismatic.
- Knowledgeable about culture and heritage.
- Dependable, respected, and self-assured.

### Short Description

---

A seasoned driver with years of experience and high ratings. Confident and charismatic, they are often seen as cultural ambassadors, sharing stories and enriching the tourist journey.

### Challenges

---

- Tourists expect high standards from them.
- Risk of fatigue or burnout from demand.
- Adapting to new tech and rules.
- Balancing storytelling with efficiency.

### Goals\Objectives

---

- Maintain top ratings and strong reputation.
- Attract premium trips and repeat tourists.
- Share cultural knowledge and enrich experiences.
- Mentor or inspire new drivers.

### Notes

---

- Personality: confident, proud, engaging.
- Darb gives them recognition as trusted professionals.
- They see their role as more than driving representing Saudi hospitality and Vision 2030.

# Abdallah Al-Mutairi

Experienced Driver Example

## Profile

Gender : Male  
Age : 45  
Education : High school graduate  
Occupation : Senior professional driver  
Address : Makkah, SA

## Biography

Abdallah is a seasoned driver with many years of experience and excellent ratings. He is confident, respected, and often shares cultural knowledge with tourists. Known for his reliability, he takes pride in representing Saudi hospitality.

## Goals

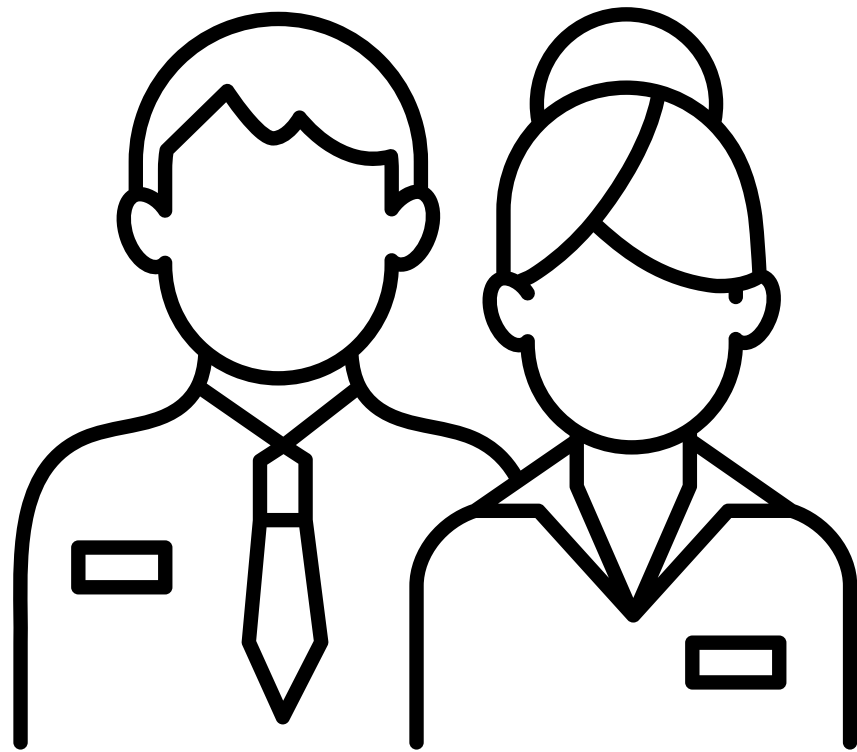

- ✔ Maintain strong ratings and reputation.
- ✔ Share cultural knowledge and enrich tourist experiences.
- ✔ Attract premium trips and repeat customers.

## Challenges

- ⦿ Tourists expect very high standards.
- ⦿ Risk of fatigue from long working hours.
- ⦿ Adjusting to new technology and rules.

## Notes

- Personality: confident, dependable, charismatic.
- Sees himself as both a driver and cultural guide.
- Values Darb for recognizing and rewarding his experience.

## Staff Persona

### Key Attribute

- Reliable, patient, and empathetic.
- Calm under pressure, quick problem-solver.
- Professional in communication, clear and respectful.
- Service-focused and trustworthy.

### Short Description

Support staff who serve as the human link between tourists, drivers, and the system. They are calm, professional, and service-oriented, stepping in to solve problems, guide new users, and respond to emergencies.

### Challenges

- Managing multiple cases under pressure.
- Dealing with upset or anxious tourists.
- Ensuring quick action while following rules.
- Balancing fairness between tourists and drivers.

### Goals\Objectives

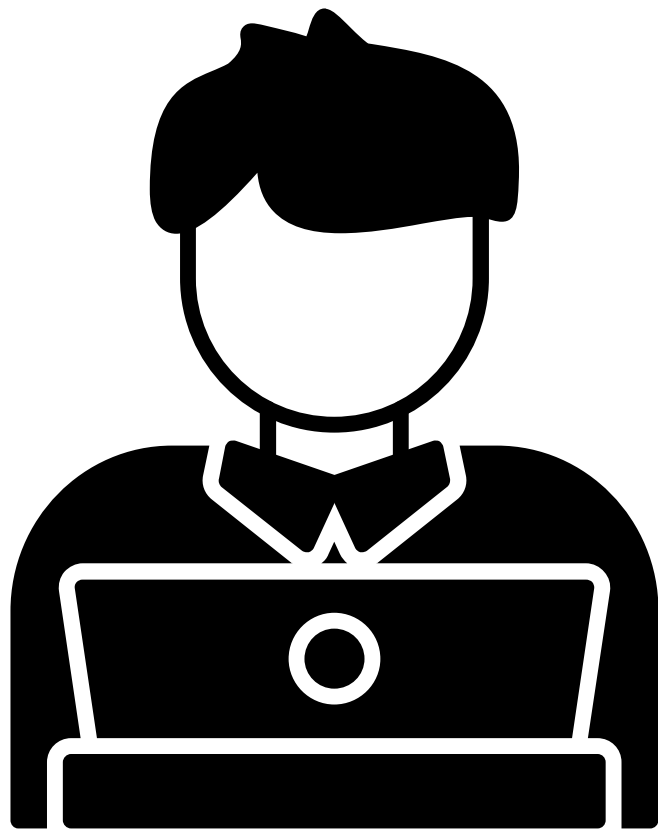

- Assist tourists with technical issues, booking problems, or safety concerns.
- Support drivers with verification and guidance.
- Respond quickly and effectively during emergencies.
- Maintain trust by ensuring smooth communication between all parties.

### Notes

- Personality: empathetic, calm, dependable.
- They build trust by responding quickly and professionally.
- Their efficiency directly impacts overall tourist satisfaction.
- Darb relies on them to uphold Zero-Trust standards through verification and emergency handling.

# Tala Al-Fayez

Staff Manager Example

## Profile

Gender : Female  
Age : 32  
Education : Master’s degree in Business  
Occupation : Operations Manager  
Address : Jeddah, SA

## Biography

Tala is a professional and service-oriented manager who oversees staff operations and ensures smooth communication between tourists, drivers, and the system. Calm under pressure, she values efficiency, fairness, and teamwork. She takes pride in solving problems quickly while maintaining professionalism.

## Goals

- ✔ Ensure smooth daily operations.
- ✔ Maintain trust through clear and fair communication.
- ✔ Support tourists and drivers during issues.

## Challenges

- ⦿ Handling multiple cases under pressure.
- ⦿ Managing upset or anxious tourists.
- ⦿ Balancing fairness between tourists and drivers.

## Notes

- Personality: calm, reliable, empathetic.
- Known for professionalism and quick problem-solving.
- Sees Darb as a platform where strong staff management ensures trust and quality service.
